

To Whom it May Concern:

I am writing this letter to commit the support of Mehrdad Mohammadian, son of Mohammad Mohammadian, born on 2000/03/20, holder of National Identification No. 0925187534, issued in Mashhad, and student ID. No. 39700248.

Mr. Mohammadian had research collaboration remotely with me as a research assistant training student since September 2021 up to July 2022. His research focuses on computer vision based on deep learning methods. During this collaboration time, he managed to prepare a conference article, titled, "Persis: A Persian Font Recognition Pipeline using Convolutional Neural Networks". We submitted the paper to the international conference of ICCKE and the current state is accepted.

I can provide any additional information, please do not hesitate to contact me.

Sincerely,

Neda Maleki, Ph.D.
Postdoctoral Research Fellow
